EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

Reasons for allowance

1. The following is an examiner's statement of reasons for allowance:

The prior art fails to disclose or reasonably suggest a method and an apparatus of a switch for directing optical signals in a telecommunications network comprising a chassis having slots in which the interfaces are held or in which the connectors are held if there is no interface; removing an optical connector in communication with the first optical fiber and the second optical fiber from a first slot of a chassis of the switch and inserting a third interface into the first slot so it communicates with the first fiber and the second fiber.

Claims 1, 5-11 and 13-17 are therefore allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
